Refund Calculation

Refunds will be calculated using a pro-rata method based on the length of time the student attended the program. The formula for calculating refunds is as follows: Total Program Cost \div Total Program Duration = Cost Per Day. Refund Amount = Cost Per Day \times Number of Days Remaining in the Program.

Refund Calculation Date

Refunds will be calculated from the date of official withdrawal or termination as determined by the school's records. This is the date on which the student notifies the school of their intention to withdraw or the date on which the school officially terminates the student's enrollment.

Refund Time Frame

Refunds will be processed and issued within 30 days from the official withdrawal or termination date.

No Written Notification Requirement

Students are not required to provide written notification of withdrawal in order to receive a refund. The school will initiate the refund process based on its own records and official documentation.

Maximum Refund Period

Refunds will not be issued more than 90 days from the student's withdrawal or termination date. The school is committed to promptly processing and disbursing refunds to eligible students.

STUDENT'S RIGHT TO CANCEL

This policy explains the refund policy for applicants who choose to cancel their enrollment within specific time frames.

Enrollment Cancellation Prior to Visiting School

- An applicant who has not visited the school prior to enrollment has the right to cancel their enrollment without penalty.
 This applies to applicants who have not participated in any of the school's orientation procedures or visited the school facilities and equipment where training and services are provided.
- To request cancellation, the applicant must notify the school in writing within three business days following either the
 regularly scheduled orientation procedures or following a tour of the school facilities and inspection of equipment.
- Upon valid cancellation within the stipulated time frame, the applicant will be entitled to a full refund of any monies paid to the school.

Enrollment Cancellation Within Three Days

- An applicant who signs an enrollment agreement and makes an initial payment to the school is entitled to a period of three business days during which they can request cancellation without incurring any penalty.
- The applicant must submit a written request for cancellation within three business days after signing the enrollment agreement and making the initial payment.

SCHOOL.									

Page 3 of 11(Initia

 In case of valid cancellation within this three-day period, the applicant will receive a full refund of all monies paid to the school.

Enrollment Cancellation After Three Days but Prior to Entering School

- An applicant who requests cancellation more than three days after signing an enrollment agreement and making an initial payment, but prior to the start of classes, is entitled to certain refund conditions.
- The school will retain a registration fee equal to 15% of the contract price of the program.
- However, the school will not retain more than \$150 of the total monies paid by the applicant.
- Any remaining amount will be refunded to the applicant.

WITHDRAWAL FROM THE PROGRAM

You may withdraw from the school at any time and receive a pro rata refund if you have completed 60 percent or less of the scheduled days in the current payment period in your program through the last day of attendance. The student shall provide a written notice of program withdrawal to the email: info@rossbi.org, or mailed to the following address: 1525 McCarthy Boulevard, Milpitas, CA 95035. After approval, the refund will be less a registration or administration fee not to exceed \$250.00, and less any deduction for books and materials not returned in new condition as stated as refundable on the enrollment agreement. A refund will be made within 45 days of withdrawal.

For the purpose of determining a refund under this section, a student shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

- The student notifies the institution of the student's withdrawal or as of the date of the student's withdrawal, whichever is later.
- The institution terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules
 and regulations of the institution; and/or failure to meet financial obligations to the School.

For the purpose of determining the amount of the refund, the date of the student's withdrawal shall be deemed the last date of recorded attendance. The amount owed equals the daily charge for the program (total institutional charge, minus non-refundable fees, divided by the number of days in the program), multiplied by the number of days scheduled to attend, prior to withdrawal. For distance education students' scheduled days are based on a five day week, which does not include Saturday or Sunday, or any defined holiday as enumerated in Section 6700 of the California Government Code.

If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of the benefits received, and any remaining amount shall be paid to the student. If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds.

Any collection procedure conducted by RBI or an authorized representative of RBI will reflect ethical business practices.

Page 7 of 11 _____ (Initial)

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss.

Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California residents, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 N. Market Blvd. Ste 225 Sacramento, CA 95834, (916) 574-8900 or (888) 370-7589.

To be eligible for STRF, you must be a California resident or enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

- 1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
- 2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
- 3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
- 4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
- 5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
- 6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
- 7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number."
